Reasons to Destroy the Clans

Published 2013 by DarkForest Publishing. Writing done by co-owners Breezepelt and Redwillow and the rest of their staff.

May StarClan crumble to dust, and may life be miserable.

~Breezepelt

Breezepelt Speaks

A bunch of cats don't understand why we want to destroy the Clans. BECAUSE WE WANT TO OF COURSE!

But no, really, when your dad cares more about some ThunderClan half-Clan cats than his own WindClan son, would you really mind giving him a few scratches so that he'll remember you to StarClan? Oh, wait, he's not good enough for StarClan so I'll be stuck with him in the Dark Forest for the rest of my life. Scratch that. Someone just make a tree fall on Lionblaze's head, kill Hollyleaf(oh, wait, we already did that) and blind that stupid medicine cat. (What was that Seedfur? He's already blind?!?!?! Whatever) And kill the stupid leaders who didn't kill the stupid traitors and half-Clan worthlessness...and their deputies.....rid the forest of these poisonous evil leaders....and then I will rule forever! Half-Clan cats will all be murdered and not tolerated at all, any cat who had a mate outside of the Clan would be given a slow agonizing death, and life would be awesome!

Do you get it now?

Whatever. Commercial break coming up after this.

Commercial Break 1

Seedfur: Are you sick of having to behave and waste time and effort following the warrior code? Well if you are, Seedfur's Hotel is the perfect place for you! Seedfur's Hotel is on a nice warm icky river, for you to swim and relax in! We also have zero food, perfect for going on an extreme diet. And the moss that we use for bedding is full of lots of black sand and thorns, guaranteed! The fee per night is one pizza from Mousefur's pizzeria!

Redwillow: Seedfur, how can you buy anything from a STARCLAN business!

Seedfur: What, I just want a pizza and we don't any pizzerias here! Anyhow, come to my hotel or else! NOW BYE! GET OUT!

NOTE FROM BREEZEPELT

We have a new staff member; his name is Cloudtail

Do any of you know him?

Cloudtail's first chapter: Tigerstar Gets His Nine Lives!

This is my first chapter to write!!!!! This one's going to get so many more votes and comments than the lame stuff Seedfur, Breezepelt, and Redwillow posted. THIS IS MY VERSION OF HOW TIGERSTAR GOT HIS NINE LIVES!

Runningnose: Press your nose against the giant lightbulb.

Tigerclaw: It's not a lightbulb, it's a shiny stone. Wait, what's a lightbulb?

Runningnose: Go to sleep, it's past your bedtime.

Tigerstar looks around confusedly, shakes his head, and presses his nose against the Moonstone

In StarClan

(Tigerclaw looks around)

(Spottedleaf is on rollerblades, skating around. She almost crashes into Tigerclaw, but manages to swerve away from him just in time.)

Spottedleaf: Oops! Sorry!

Tigerclaw: What just happened...

(Leafpool and Squirrelflight magically appear in front of Tigerclaw. Squirrelflight is singing "Loved You First" by One Direction)

Leafpool: Hi! Guess what? We're from the future!!!!!

Tigerclaw: ....

(Leafpool and Squirrelflight disappear)

(Birchfall appears in his monster chasing Jayfeather, who also just appeared, and is driving around in the monster he stole from Runningwind)

Birchfall: You're not supposed to exist yet! You don't exist until The Sight and it's only A Dangerous Path...

Jayfeather: You're not supposed to exist until Midnight!!!!!!!!

(Leans out the window and sticks his tongue out at Birchfall)

Tigerclaw(confusedly): Ok, then..... what sight, and midnight tonight?

(Cloudpaw[me!] appears in front of him)

Cloudpaw: My cookies....all cookies are mine.....who are you? You seem familiar?

Tigerclaw: Uh....you're dead? I thought you're still alive?

(Cloudpaw starts saying a ridiculous cookie poem)

Cloudpaw: Four cookies! Five cookies! One for you and two for me! That's the way it is you see!

Ten cookies! Twenty cookies! All for me and none for you! That's the way it is, it's true!

Hundred cookies! Thousand cookies! Yeah, yeah, that's fine! All cookies are mine!

Tigerclaw: UGH!!!!! THAT'S ENOUGH!!!!! YOU STARCLAN CATS ARE CRAZY! I'M LEAVING!

(Tigerclaw runs off)

Silverflame: Wait! Do you want a cheeseburger...

(Tigerclaw keeps running. He suddenly finds himself at the border between StarClan and the Dark Forest. Not knowing what the Dark Forest is, he runs into the black trees.)

(Suddenly, he finds himself inside a dark cave.)

Redwillow: Hi! Welcome to the Death Pizzeria! Would you like a deathberry pizza? Half price only today...

(Tigerclaw passes out)
